

Outstanding Contribution Award

The RA Photo Club Outstanding Contribution Award was established in 2004 to recognize and honour the significant contributions made by members of the RA Photo Club *within their first five years of membership*.

The success of the RA Photo Club comes from the willingness of its members to become enthusiastically involved in its many activities. New members bring a special energy and revitalized perspectives to our Club.

It is our sincere hope that these members will continue to remain active and add to the life of our Club.

Criteria for the award:

This member attends, or has attended, RA Photo Club meetings regularly.

This member has demonstrated a commitment to the goals of the RA Photo Club by active participation in Club activities, such as volunteering in Club activities, being a member of a Club committee, or on the Executive.

This member has made a significant contribution to the RA Photo Club by his/her particular involvement in Club activities.

The recipient of the RA Photo Club Outstanding Contribution Award will be chosen by a committee named by the Club executive. All Club members in good standing may submit the name or names of potential recipients to the committee. The committee will then recommend a name/names to the Club executive, who will make the final decision.

Up to five recipients of the RA Photo Club Outstanding Contribution Award may be named each year. However, the Club executive is not required to make an award in any one particular year. A Club member can only receive the award once.
