Feedback Group

- ▶ We had a record 10 monthly meetings this year, from September to June. The number of participants was pretty steady, in a range of approximately 15 – 25 persons.
- ▶ The RA provided our group with room set-up support. Any logistical issues were promptly resolved.
- ▶ We had a new screen this year which was much appreciated by the group leader and the participants.
- ▶ Participation was constructive and educational. Participants benefited from a rich exchange of views on how to improve our photography by critiquing each others' images. Participants were a mix of new and returning RA members.
