

Photo Shows in the Ottawa Area November 2010

Photo shows are thriving in the Ottawa area, to the point where there may be some interest in a regular summary of what's happening. Every month I will try to provide this to RA Photo Club members. For November, I have found 14 new shows, and that's in addition to several carried over from October that I missed in last months listing.

This list is just a start, and although it will never be complete or completely accurate, I will do my best to expand the sources. Anyone interested in adding, subtracting or commenting is welcome to do so. If you would like to ensure *your* upcoming show is included, please advise Bill Woodley at woodleycw@aol.com.
